| Job Title: | Audit Planner |
| Department: | Contract Compliance / Audit Planning |
| Reports To: | Director, Audit Planning |
| FLSA Status: | Exempt |
| Environment: | Drug Free Workplace |

Position Summary:

Provide support to Senior Audit Planner and work directly with clients to gather contract documents, data and key audit information to determine when and what audit approach is necessary to effectively audit the contract of the clients' suppliers. Identifies and documents potential areas of risk exposure from client interviews and contracts to prepare the auditor for the upcoming audit. Contacts the suppliers to explain the audit process, set the audit schedule and audit strategy.

Essential Duties and Responsibilities:

- ◆ Maintain various databases and schedules to support the supplier auditing group.
- ◆ Ensure contract information is complete (all amendments received, signed copies received, etc.).
- ◆ Interview key stakeholders to determine contract understanding and intent.
- ◆ Review supplier contracts and contractual intent to help prepare for audit.
- ◆ Present due diligence findings to key stakeholders.
- ◆ Send out various correspondences to clients and suppliers, such as buyer questionnaires, data requisitions, surveys, etc.
- ◆ Identify and document potential areas of risk exposure from client interviews and contracts to prepare the auditor for the upcoming contract compliance review.
- ◆ Monitor client-supplier relationship throughout the audit process.

Audit Planner Job Description

- ◆ Define sampling strategy and generate audit samples from supplier-provided population.
- ◆ Prepare reports for internal management and clients concerning the schedule of audits, potential audit candidates, and post potential/actual audit recovery amounts.

Audit Planner Job Description

Company Description:

Renew International provides diverse cost recovery auditing solutions to leading companies across all industries. Our innovative recovery auditing and risk assessment services provide comprehensive “procure to pay” audit solutions on the cost side and production payment reviews on the revenue side. Our solutions extend beyond simple fund recovery to include contract compliance, accounts payable, revenue audit and risk assessment services—typically resulting in business process modifications implemented across not only our clients’ functions but in many cases within the processes of their third-party suppliers and partners.

*Financial Results * Customer Service * Employee Recognition * Community Involvement * Spiritual Development*

The above job description is not intended to be an all-inclusive list of duties and standards of the position. Incumbents will follow any other instructions, and perform any other related duties, as assigned by their supervisor.
